GEN 281. 9772 HOLY

Dedication

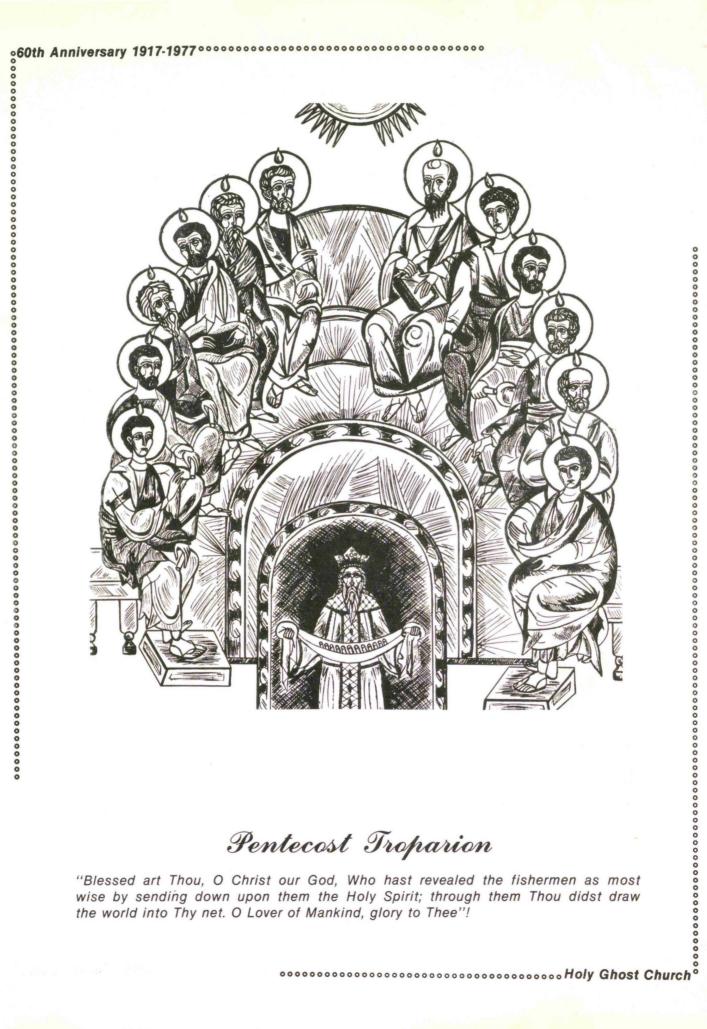

During the Great Entrance of every Divine Liturgy, we offer our humble prayers for the "builders, benefactors, and founders" of our church. Today, as we celebrate the 60th Anniversary of our Holy Ghost Orthodox Church, these words take on special significance.

We reverently dedicate this Commemorative Booklet to those men and women, who gave so much of themselves in order to preserve their Orthodox Faith and perpetuate their Carpatho-Russian heritage. May Almighty God grant eternal rest to all founders of our Holy Ghost Orthodox Church!

Eternal be their memory!

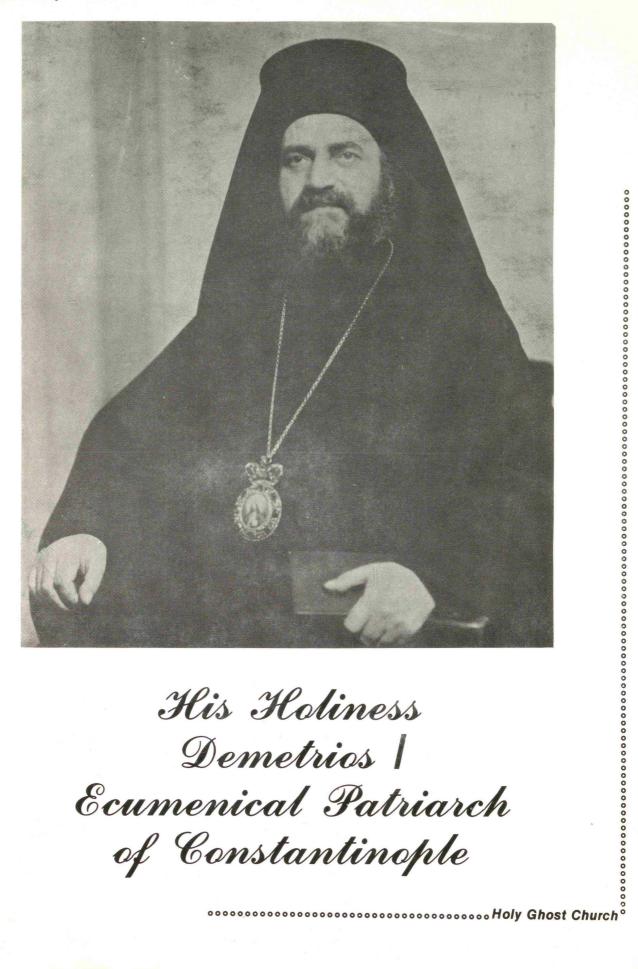

"WITH THY SAINTS, O CHRIST, GIVE REST TO THE SOULS OF THY SERVANTS, WHERE THERE IS NO SICKNESS, SORROW, OR SIGHING, BUT ONLY LIFE EVERLASTING".

Glory to Jesus Christ! Reverend and dear Father Rosco:

On the festive and joyous occasion of the 60th Anniversary of Holy Ghost Church in East Chicago, I am pleased to extend my personal congratulations to you, your officers and your parishioners and the friends of your parish joining with you in these religious festivities.

In giving thanks to God for the blessings of sixty years, we pause to pay tribute to the pastors and faithful associated with this church since its founding, knowing that through the reception of the Sacraments, the acceptance of the word of God and the blessings of the Church, they have shared richly in the life and the light of Christ.

This anniversary marks the beginning of a new chapter in the history of your parish. I pray that future years will give testimony to new progress and new growth in faith and in love.

Glory be to Jesus Christ!
Dear Parishioners,

It is my distinct privilege to greet you on the 60th Anniversary of our Holy Ghost Orthodox Church. Our parishioners have many reasons to experience feelings of pride on this joyous occasion. Yet something greater than pride should abide within each of us today. It is a deep sense of gratitude that must dominate us as we reflect upon the past and as we optimistically assess the future of our parish. God has been good to us. The words of the Prophet Isaiah that we sing in the Compline Service, "GOD IS WITH US", perfectly express our sentiments today, for He has, indeed, been with us for these sixty memorable years. We are profoundly grateful for His guidance, and prayers of thanksgiving should be on the lips and in the hearts of each of us as we celebrate this important milestone in the life of our church.

We pause today to remember the "founding fathers" of our Holy Ghost Orthodox Church, for it is through their labors, together with the untiring efforts of the priests who have served our parish, that we have reached this blessed day, still united as an Orthodox Christian family.

For a congregation to merely survive for sixty years in a society that is so indifferent and skeptical towards organized religion is, in itself, an accomplishment. To be able to grow and progress spiritually and materially in such an environment is a lasting tribute to the strong moral character and deep-rooted devotion to God that our parishioners have exhibited down through the years.

I offer my congratulations to our hard-working Anniversary Committee. The countless hours spent in planning and preparing for this occasion are certainly appreciated by all of us. I trust that this will be a day that each parishioner will long remember, and my prayer today is that we may attain greater heights, as we work together for the greater glory of God and His Holy Orthodox Church.

Sincerely yours in Christ,

Father Michael S. Rosco

Daniel Kish Church President

As the President of the Church Council, it is an honor and pleasure for me to welcome His Excellency, Bishop John R. Martin to the Holy Ghost Orthodox Church for this festive occasion which marks the 60th Anniversary of our church.

Today we have reached another milestone in the history of our parish. Sixty years have passed and we have experienced some of the growing pains, the trials and tribulations that are encountered when seeking and achieving goals. Through many answered prayers and God's blessings, growth and progress are in evidence, both spiritually and materially, throughout our parish. Fortunately, we still have a few of the church founders among us who are able to witness and participate in this Anniversary celebration. I feel confident that with God's blessings and the continued cooperation of all the parishioners, the successful future of our Holy Ghost Orthodox Church will be assured.

In conclusion, I wish to take this opportunity to express my personal thanks to our pastor, Father Michael Rosco, for his dedicated and endless labors and exemplary leadership in all his endeavors. I would also like to extend my thanks to the 60th Anniversary Committee, church officers, directors, our fine choir, choir director and to everyone who participated in making this event a success.

History of Holy Ghost Orthodox Church

The Holy Ghost Orthodox Church of East Chicago, Indiana is one of the oldest Orthodox parishes in the Midwest. Formally founded and dedicated in 1917, our parish traces its origin back to December 31, 1913 when 50 immigrants of Carpatho-Russian and Russian descent met for the purpose of establishing a church of their own. Early lay leaders were: John Rajchinetz, Frank Meszar, and Daniel Barney, with early services actually conducted in the Barney home. Father Benjamin Kedrovsky of Gary was instrumental in providing the spiritual leadership necessary in the formation of a parish in East Chicago.

In 1914, an authorized church committee purchased property on the corner of 144th Street and Olcott Avenue. Three years later, after sufficient funds were gathered, our founders began construction of the house of worship that has served our spiritual needs for the past sixty years. The church was completed in 1918, with the first Divine Liturgy in the new structure being celebrated by Father George Barany. Father Barany was later selected by the congregation to serve as their priest. C. L. Fedorko was the contractor for our Holy Ghost Church, building it at the cost of \$14,761.25!!

In 1918, the parish purchased a large parcel of land in Hammond, Indiana, which is presently being utilized as a church cemetery.

As was the case with many of our parishes, our East Chicago congregation had to endure periods of inner turmoil and court litigation. Between 1921 and 1923 our church was involved in a court case, which was not only costly financially, but was costly in the loss of church members. Eventually, our parishioners were successful in their efforts to preserve their Orthodox Faith, and the congregation was now able to concentrate their efforts on spiritual and material growth.

The next two decades showed marked progress in all aspects of parochial life. Serving the parish during this time were the following priests: Father Basil Mirenkov, Father George Barany, Father Vasily Petrecki, Father George Gulanich, Father Stefan Cipayda, Father Jacob Psenichniuk, and Father Michael Yuhas.

Our Holy Ghost Orthodox Church was incorporated into the American Carpatho -Russian Orthodox Greek Catholic Diocese in 1938. In 1942, His Eminence, Metropolitan

From The Church Records

The church records of any parish reveal its history in a personal, intimate way. Accurate statistics of baptisms, marriages, and burials in our Holy Ghost Church date back to June, 1918.

Julia Ribinsky and Peter Timkovich were the first babies to be baptized, both receiving this Sacrament at the hands of Father George Barany on June 30, 1918.

The first wedding performed in our Holy Ghost Church took place on July 20, 1918, as John Babinec and Pavlina Prestra were joined together in Holy Matrimony by Father Barany.

Our records show that the first person to be buried from our parish was a one-year old child, Vasil Penzelik, who died on July 2, 1918. It is interesting to note that during the first year of our existing burial records, eight children under three years of age passed away. In fact, the vast majority of deaths recorded in the first ten years of our parish's history are of young adults and infants, with "Spanish influenza" and pneumonia listed almost exclusively as the cause of death. The first adult to be buried from our parish was police officer Charles Rajchinetz, who was killed on duty on August 1, 1918. The first burial at our Holy Ghost Cemetery was John Habzansky, who died on October 25, 1918.

The following statistics have been tabulated for our congregation, covering the period from June, 1918 to October, 1977:

Baptisms - 544

Marriages - 156

Burials - 340

In 1920, there were 34 recorded Baptisms, the largest number for any single year in our history. The most marriages in one year was 1947, when 8 were performed. The years 1918 and 1972 are remembered for having the most burials: 16.
